President Waters will speak Thursday morning on "Basis of a Permanent Agriculture." His topic Thursday afternoon will be "Making the Most of Corn." He will make but the two addresses. The subjects tomorrow morning: Mr. Childers "Soil Fertility;" Mr. Talbert, "Insects Injurious to Field Crops;" Mr. Weaver, "The Brood Sow and Her Litter;" Mr. Weaver will also speak on "Rations for Fattening Hogs," if there is time. If not the talk will be given in the afternoon preceding the tractor demonstrations.

Rules for Tractors.

The tractor committee of the Commercial club met yesterday and drew up the rules governing the three tractors which will be on the Normal field tomorrow afternoon in a special demonstration and the rest of the week in private demonstrations.

The committee is Lawrence Ogden, W. W. Jones and J. H. Sewell. They adopted, with a few minor changes, the rules of the mid-west tractor farming demonstration. The size of field allotted to each tractor will depend upon the number of plow bottoms pulled. Motors must not be run more than 10 per cent above rated speed.

Private demonstrations may be arranged for the rest of the week by request to the manager. All fuel must be purchased at a source designated by the management, so that there shall be no chance for deception by the use of more efficient fuel than can ordinarily be obtained or used.

Each tractor will be required to plow the full depth of the furrow and must finish out all rows in a neat and careful manner. The demonstrations shall be made in the spirit of an educational showing rather than that of a contest. They will start tomorrow afternoon at 2 o'clock.

Lemon, William Everhart, Charles Hyslop, Ed Tebow, Clyde Bliss and C. L. Gann.

FEDERATION IS FAVORED

YOUNG PEOPLE APPOINT COMMITTEES TO DISCUSS PLANS.

Two Have Not Taken Definite Action, So Meeting is Postponed to Next Week.

Three of the five young people's societies of the churches took favorable action Sunday night on the reviving of the Federation of Young People's Societies in Maryville. Members of the other two societies have expressed themselves favorably in private conversations but no action was taken.

Ed Gray, Mrs. E. B. Burnett and Miss Florence Shullenberger were appointed by Miss Bertha Anderson, president of the Christian Endeavor, to meet with the representatives of the other societies. The Young People's club of the Presbyterian church, which will become a Christian Endeavor next Sunday, appointed their president, Philip Colbert, and the pastor, Rev. W. M. Case, to meet with the others.

The Buchanan Street Epworth League appointed Vernon Nash to work with the president, I. B. Williams, on the federation committee. A meeting of the representatives will probably not be held until next week on account of the many activities of the week.

Among the activities which have been outlined by various individuals as work for the young people are:

Sunday services at the county jail and the county poor farm, gospel team work of the young people, personal evangelism, participation in the fight against the saloon, agitation for a Y. M. C. A. in Maryville, giving of better social times to young people, the improvement of the devotional services of the societies on Sunday evenings by the exchange of speakers, the interchanging of ideas, and by occasional union meetings.

The constitution of the old organization will probably be adopted again in large part, but changes of minor nature may be made. Those who have already been named on the federation committee desire that young people of the societies talk with them concerning the work.

RELIGIOUS CENSUS

MEN OF MARYVILLE CHURCHES TO GET DATA NOV. 21.

TO AID PASTORAL WORK

Church Memberships or Preference, Number in Sunday School and Other Questions to Be Asked.

A religious census of the city of Maryville will be made the third Sunday in November by all the men of the Protestant churches in the town.

The purpose of the census will be to get data on the church affiliation or preference; regularity of attendance; number of children in Sunday school; reasons for not attending church, if such reasons will be given, and all other information relative to the religious condition of the people of this city.

The city will be worked by wards and people will be notified when the workers are expected to come down their street. An effort will be made to have everyone possible at home when the workers call, so that the work may be done rapidly. The decision to make the census was reached at the monthly meeting of the Ministerial Alliance yesterday.

Thanksgiving Service at Baptist.

The union Thanksgiving service will be preached by the Rev. William Moll Case, pastor of the Presbyterian church. It will be held Wednesday night before the day, rather than on the morning of Thanksgiving. The Baptist church will be the host church this year.

The ministers also decided to invite all the preachers of Nodaway county to join with them in their December meeting. The decision has been made to unite with the Christian church in a farewell service to Rev. R. L. Finch, who becomes pastor of the Park and Prospect church in Milwaukee after next Sunday. The program of the service will be arranged by members of the Disciples of Christ.

A resolution was passed by the pastors to hold no more farewell services to men after that of Mr. Finch, but instead to hold a welcoming reception to the new men as they come to the town. Methodist pastors go so quickly after the change in their appointments that they never get a union farewell service.

DICK BROOKS INJURED.

Falls 15 Feet Off Bridge and Breaks Shoulder Blade.

Dick Brooks of Quitman met with a very painful accident this morning. With several others Mr. Brooks was repairing a bridge about a mile from Quitman, when he fell from the bridge to the creek below, a distance of fifteen feet. He landed on his shoulder, broke his shoulder blade and caused some bad bruises by the fall. He also caused a slight injury to his head. His wounds are painful but not serious.

CITY, SANTA CLAUS

A MUNICIPAL CHRISTMAS EVE ON COURT HOUSE LAWN.

EVERGEEN TREE THERE

Light Company to Give Illumination and Chorus of 100 Will Sing Yule-Tide Carols.

Maryville will take another step into the metropolitan class Christmas when they give a municipal Christmas tree. By some good foresight, an evergreen tree was planted years ago in the corner of the court house yard, which will make a permanent Christmas tree.

The decision to have the tree was made at the regular weekly meeting of the board of directors of the Commercial club. All of the ministers, Prof. W. M. Westbrook, superintendent of schools; Mayor U. S. Wright, and two representatives of the Federation of Women's Clubs, Mrs. George H. Colbert and Mrs. W. C. Van Cleve, met with the directors by invitation at their lunch yesterday noon.

Many details will have to be worked out by the committees later. But the Maryville Electric Light and Power company have already promised the lights and wiring of the tree as their gift toward the municipal celebration of the birth of Jesus.

A chorus of 100 voices will be organized to sing carols and Christmas hymns. Mr. Case, pastor of the Presbyterian church, has been connected with a city Santa Claus for several years and his experience is expected to be valuable. Probably the most noted and successful of the municipal Yule-tide celebrations have been those at Washington and St. Louis.

GERMAN ADMITS PLOTS

SAYS KAISER'S LIEUTENANT CAME TO U. S. WITH BOMBS.

Fay Intended to Blow Up Plants in America Furnishing War Munitions to Allies.

Special to The Democrat-Forum.

New York, Oct. 26.—Paul Seib, who is in the custody of the United States officials in connection with the German bomb plots to destroy American industries connected with the manufacture of munitions, made important confessions this morning.

He said that Robert Fay, a German lieutenant, and Walter Scholtz, his aide, came to this county with the intention of blowing up American plants. It was arranged to explode a bomb in the chemical works at Roosevelt, N. J., last Thursday night, but the vigilance of the guards prevented.

The chemical works furnish important materials to ammunition factories. The authorities believe that the men's anxiety to confess is really an effort to hide more important moves by the plotters.

SUIT ON SHEEP SALE.

Failure of F. B. Dinsmore to Deliver Damaged Carl Huff $200.

Carl W. Huff of Pickering filed suit this morning for the January term against Frank B. Dinsmore of near Orrsburgh for $200 alleged damages for a sheep sale which was not consummated. Mr. Huff says that he paid Dinsmore $100 for 40 sheep which were to be delivered in Pickering yesterday. The full price contracted for was $300, the other $200 to be paid at delivery.

Huff asserts that the sheep were not delivered, although he was at Pickering yesterday ready to take them and pay for them. He asserts that he was damaged $200 by the failure.

MME. BUTTERFLY FAVORITE ROLE

MISS ALICE NIELSEN SAYS IT FITS HER TEMPERAMENT.

PRIMA DONNA LIKES SMALL TOWN HEARING

Singer Who Opens Lyceum Course Tonight in Informal Talk With Democrat-Forum Reporter.

What every woman knows about Alice Nielsen is that she is America's foremost prima donna, but what lots of them don't know is that she is one of the most charming and adorable women, and above all, has a sweet simplicity of manner that would attract more than her talent or art.

In a personal interview with Miss Schenck this afternoon at the Linville hotel, Miss Nielsen gave in one sentence the keynote of her success.

"I love the small town audiences," she said, "because I feel personally their interest, their praise and their sympathy with my songs. I love the public, I love the big city audiences, but their brilliancy sometimes causes just a bit of self-consciousness, and I feel the weight of it. In the small towns I feel at home, just like one of you, and feel that you like me and love music. Music is religion, don't you think so?"

If you could talk to Miss Nielsen, you would understand instantly why she feels like this. She is a small, slight woman, blue eyes that look at you with an almost childish look, light brown hair, curly as can be, with a simplicity in manner and dress as one of her most noticeable traits. With her on this trip is her cousin, Miss Lillian Nielsen of Boston, who is on her first trip through the middle west, and is thoroughly enjoying it.

In answer to the question of what was her favorite role, Miss Nielsen answered:

"Madame Butterfly. I think that is because of my temperament. You wouldn't think to look at me now, that I have terrible fits of morbidness, and I attribute that to my ancestry. I am American born, but my father was a Dane and my mother Irish, and I must inherit, as you see, a love for tragedy and comedy both. Thi ssummer has been my heaviest concert tour, I think. I have given 118 concerts in nineteen weeks. I began in Jacksonville, Fla., and ended in Chicago. I sang before small audiences and my audience for the tour totaled 140,000 people. Where I love to sing is in the small places where musical opportunities are limited and the people are hungry for music. I love to bring it to them and feel as if I were bringing them religion in my music, and it is, too. I think all the world believes that.

"At Kirksville last night I enjoyed the students so much. Usually I don't give encores. I would if I knew what my audiences wanted most, and if they would ask I would be willing to sing any favorite song. Last night I sang "The Last Rose of Summer," and the frank pleasure of that crowd of students was one of my greatest delights.

"There is a magnetism and enthusiasm in such praise that one could not help liking. That is why I say I am more fond of the small town audiences. But I love the whole public just as it is."

From here Miss Nielsen goes to Topeka, Kan., and then to Hutchinson, Kan. Three years ago Miss Nielsen sang at the dedication of new opera house in Hutchinson, and she is anticipating her second appearance there with great pleasure.

AN UNFORTUNATE SITUATION.

The situation which induced George B. Baker of this city to resign from the board of managers of the St. Joseph insane asylum is, to say the least, unfortunate. Mr. Baker has taken great interest in the affairs of the asylum and, as a business man, has endeavored to have its affairs conducted in a business-like manner.

The interference of outsiders seems to have created some discord and dissatisfaction which resulted in a request for the resignation of two of the members with whom Mr. Baker had worked harmoniously. There was no objection to Mr. Baker, but he felt that inasmuch as there was objection to those with whom he had worked in harmony, it would be useless to remain on the board.

That the St. Joseph asylum has been, or should be, more or less a football for political ambitions is beyond the patience of those who appreciate the purpose for which this great institution was designed. Maryville has for some years been honored with a membership on the asylum board and has more than ordinary interest in the welfare of the institution. From all reports a "house cleaning" would not be amiss, but it should be a house cleaning along the line of justice to the unfortunate inmates and not to provide jobs for anybody's friends.

If Mr. Baker felt that he could not longer serve on the board with usefulness, he has done well to get off and save his reputation as a conscientious and capable business man.

Ma and the Motor Car.

Before we take a motor ride Pa says to Ma, "My dear,
Now just remember I don't need assistance from the rear;
If you will just keep still back there and hold in check your fright
I'll take you where you want to go and get you back all right.
Remember that my hearing's good, and also I'm not blind,
And I can drive this car without suggestions from behind."
Ma promises that she'll keep still, then off we gayly start,
But soon she notices ahead a peddler and his cart.
You'd better toot your horn," says she, "let him know we're near,
He might turn out," and Pa replies: "Just shriek at him, my dear."
And then he adds: "Some day some guy will make a lot of dough
By putting horns on tonneau seats for women folks to blow."
A little further on Ma says: "He signaled for a turn."
And Pa says, "Did he?" in a tone that's hot enough to burn.
"Oh, there's a boy on roller skates," Ma cries, "now do go slow,
I'm sure he doesn't see our car," And Pa says: "I dunno;
I think I don't need glasses yet, but really it may be
That I am blind an' cannot see what's right in front of me."
If Pa should speed the car a bit some rigs to hurry past,
Ma says: "Now do be careful! You are driving much too fast."
An' all the time she's pointing out the dangers of the street
An' keeps him posted on the roads and where street cars he will meet.
Last night when he got safely home, Pa sighed an' said: "My dear,
I'm sure we've all enjoyed the drive you gave us from the rear."

A CHILD HATES OIL, CALOMEL, PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" if Cross, Sick, Feverish, Constipated.

Look back at your childhood days. Remember the "dose" mother insisted on—Castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Kansas City Stock Letter.

Kansas City Stock Yards, Oct. 25.—Killing cattle sold strong to 25c higher last week, most gain on choice beef steers, stockers and feeders ranged from steady to 15c higher, cows and bulls steady to 20c lower. Heavy shipments arrived today, 45,000 cattle on the early estimate, and the official count will be close to that number, the heaviest run ever received here for a single day's market.

A large percentage of the supply is stockers and feeders, and these kinds are selling weak to 15c lower, although there is a big outlet for yearlings and twos, and for good feeders. The small percentage of killing grades resulted in steady prices for the best, 10 to 15c lower on some of the steers, cows steady to 10c lower.

No strictly prime cattle are included, and steers of first quality are quotable up to $10.30, medium to good fed steers $8.40 to $9.50. Best Kansas grass steers bring $8.75, although the Kansas offerings are gradually getting into the fed column, and will be quoted as such exclusively within a short time. A fair number of middle weight Kansas steers at $7.00 to $7.75.

Quarantine receipts are 15 cars, steers at $6 to $6.75. Every possible grade of stock cattle is here, and the demand comes from every quarter, hence is equally as diversified. Kansas and Missouri are the big buyers, Oklahoma taking a heavy number, Illinois and Iowa in sections where they have corn, buying more heavily than heretofore. Prices on stockers range today from $5.50 for common off-color steers to $8.30 for high bred Panhandle white face yearlings.

The hog market shows returning strength, sales 5 to 10c higher today, the order buying features of the market being operative, hogs for shipment selling at $7.30 to $7.50. Packers did not exhibit any enthusiasm, though paying slightly stronger prices, largely $7.10 to $7.30. Receipts are 7,000. Future prices will depend on volume of the supply, as packers will not be able to hold prices down without the support of continued liberal runs, although temporarily successful in their raid last week.

Sheep and lambs closed last week slightly lower, largely due to lack of quality in the offerings. Today the supply is 8,200, and prices are 10 to 15c higher, top lambs $8.75. Strength underlies the market, because of the big falling off in receipts since the middle of the month. Scarcity insures a high market for a month or two ahead, in the opinion of dealers here. Yearlings sell at $6.50 to $7.25, fat ewes $5.40 to $6, feeding lambs $7.90 to $8.25, feeding yearlings $6.65 to $7, feeding ewes around $5, breeding ewes $5.50 to $7.25.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

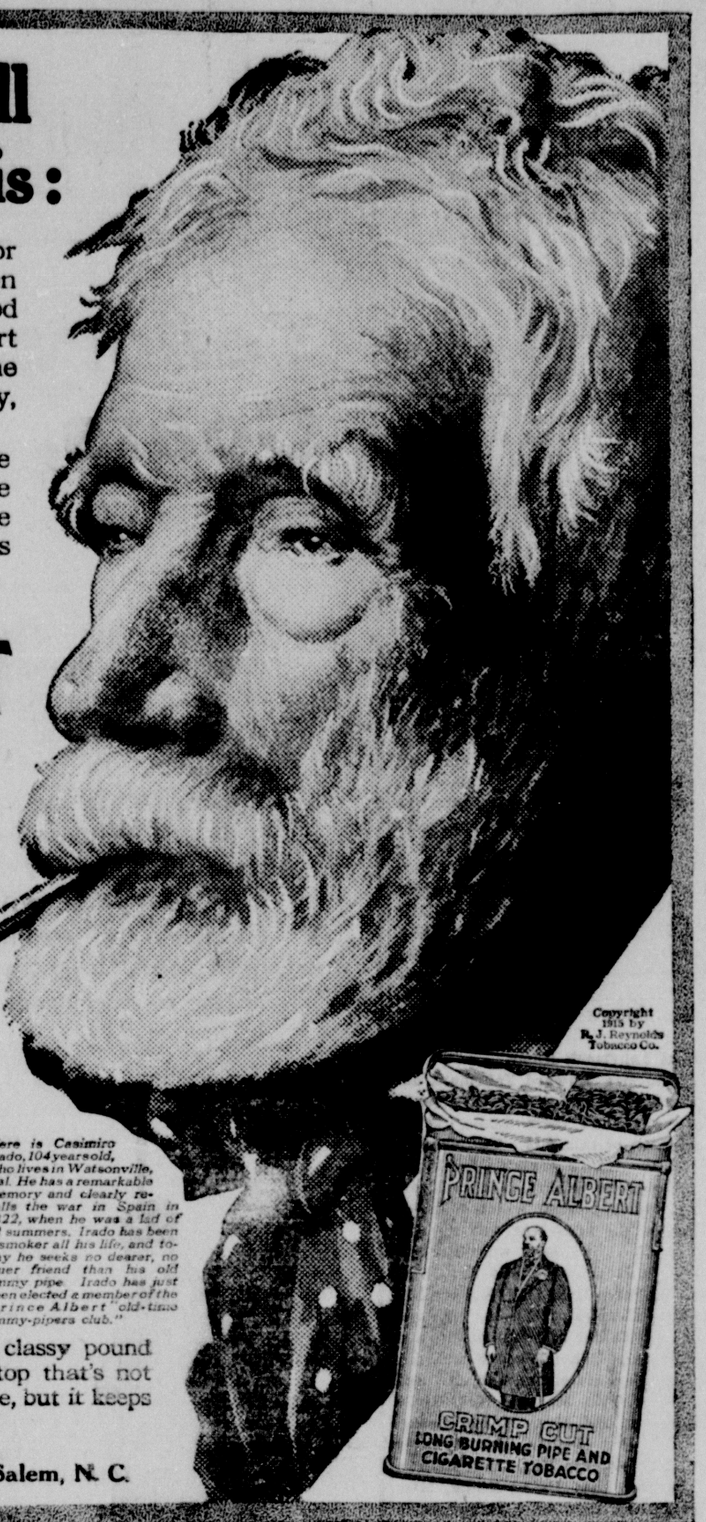
Lay-to for a spell and swing on this:

You'll start an old-pal-party via a pipe or a makin's cigarette quick as a flash, as soon as you realize it's a live bet to let your good money rub up against some Prince Albert tobacco. Why, it's like beating back to the bushes for old-home week, P. A.'s so friendly, so chummy-*like*.

You see, Prince Albert lets you hear the song of the joy'us jimmy pipe and the makin's cigarette all the day long! The patented process takes care of that—and cuts out the bite and parch!

PRINCE ALBERT

the national joy smoke



Copyright 1915 by R. J. Reynolds Tobacco Co.

Here is Casimiro Irado, 104 years old, who lives in Watsonville, Cal. He has a remarkable memory and clearly recalls the war in Spain in 1822, when he was a lad of 12 summers. Irado has been a smoker all his life, and today he seeks no dearer, no truer friend than his old jimmy pipe. Irado has just been elected a member of the Prince Albert "old-time jimmy-pipers club."

just hands you home-made questions like these: Were *you* ever pipe-happy? Did *you* ever hit a brand that just pushed pleasure against your palate? The kind that sort of teased your smokeappetite for some more fire-up, then another—and so on, right to the pillow-period!

Well, that's P. A., no matter how you hook it up—pipe or cigarette. *It just-jams-joy into your system!* You nail that fact hot off the bat, because it's case-cards information! And handed out to you for *personal* and *immediate* attention as being about as real and true as you've heard since Hector was a pup!

P. A. is sold in the toppy red bag for the price of a jitney ride, 5c; tidy red tin, 10c; pound and half-pound tin humidors—*and*—the classy pound crystal-glass humidor with the sponge-moistener top that's not only a joy'us thing to have at home and at the office, but it keeps P. A. in the highest state of perfection.

MRS. TRULLINGER IS WELL AND HAPPY

Mrs. J. B. Trullinger of Norborne, Mo., was ill for months with derangements of the digestive tract. She suffered terrible pain and was seldom able to be about.

She took Mayr's Wonderful Remedy with results that most happily surprised her and astonished her physician.

Mrs. Trullinger lives on rural route 1, out of Norborne, and leads an active country life. She writes:

"I take great pleasure in telling you what Mayr's Wonderful Remedy has done for me. When I wrote you last March I was hardly able to be up at all. I endured awful suffering. I would get so bad I would become unconscious, and the nauseating spells I had would leave me as weak as if I had a long spell of sickness nearly as bad as typhoid.

"Words cannot express the appreciation I have for your medicine. I am now able to work all day long. All this summer and fall I have felt just fine, gaining in strength and flesh."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

Mrs. Anna Belcher, who has been living on route 2, northwest of town, moved her family to this city yesterday. They will live in the Christian Science flats, on South Main street.

STOMACH ACTS FINE! NO INDIGESTION, GAS, HEARTBURN, ACIDITY

"Pape's Diapepsin" Fixes Sick, Sour, Upset Stomach in Five Minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them, if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

Entertains P. E. O.

Mrs. Arch Frank and Mrs. N. C. Covey entertained the P. E. O. chapter Saturday afternoon at the Frank home, at the usual social meeting of the month. The time was spent with games and luncheon was served from the small tables at the conclusion of the afternoon.

Society to Meet.

The Ladies' Aid society of the First Methodist church will hold a comfort tacking tomorro wafternoon in the church parlors. The work is in preparation of the annual fall bazaar, and all the women are requested to be present.

Surprise for Pastor.

The Rev. B. T. Burger, pastor of the Methodist church of Quitman, and Mrs. Burger were given a pound shower last night by the people of the congregation. Over fifty were present. The affair was a surprise to Mr. and Mrs. Burger. The crowd gathered at the parsonage unannounced and spent the evening informally with games and music.

Miss Reuillard Gives Dinner.

Miss Ruth Reuillard entertained with a dinner of ten covers last night in compliment to Miss Mildred Robinson, a bride-to-be, whose marriage to Mr. Edward Wright Gray takes place Saturday. The dining table was centered with a miniature Japanese garden, and the flowers used were white chrysanthemums. Small crystal candle holders with white tapers and tied with white tulle bows were at each plate. A four-course menu was served. Every detail as near as possible was carried out in white. The ice cream was in the shape of two cooing doves, and where the bills of the doves met was hung a wedding ring tied with a tiny bow of white tulle. These were given as favors. The honored guest's chair was decorated with bridal significance. It was canopied with a white parasol wreathed with smilax and decorated with bows of white satin ribbon and tulle. Plates were laid for Miss Robinson, Mrs. Arch Carter, Miss Martha Koch, Miss Blanche Shipps, Miss Eleanor Smith, Miss Marjorie Wilfley, Miss Ora Barmann, Miss Vera Tilson, Miss Geneva Wilfley and Miss Reuillard.

Prisoner Says He Worked Here.

Charles Maust, who is serving a prison term in the federal penitentiary at Leavenworth, because he is believed to be Ben Craven, a notorious outlaw, says that he used to work in Nodaway county, and that there are men here who could identify him. Dr. J. B. Alley of Hatfield, Mo., a boyhood friend of Craven, says that Maust is not the man.

Tractor demonstrations.

The Farm and Home Institute will open tomorrow morning at 9:30 o'clock in the auditorium of the State Normal school. The subjects of the two addresses by President H. J. Waters of the Kansas State Agricultural college were announced by President Ira Richardson.

President Waters will speak Thursday morning on "Basis of a Permanent Agriculture." His topic Thursday afternoon will be "Making the Most of Corn." He will make but the two addresses. The subjects tomorrow morning: Mr. Childers "Soil Fertility;" Mr. Talbert, "Insects Injurious to Field Crops;" Mr. Weaver, "The Brood Sow and Her Litter;" Mr. Weaver will also speak on "Rations for Fattening Hogs," if there is time. If not the talk will be given in the afternoon preceding the tractor demonstrations.

Rules for Tractors.

The tractor committee of the Commercial club met yesterday and drew up the rules governing the three tractors which will be on the Normal field tomorrow afternoon in a special demonstration and the rest of the week in private demonstrations.

The committee is Lawrence Ogden, W. W. Jones and J. H. Sewell. They adopted, with a few minor changes, the rules of the mid-west tractor farming demonstration. The size of field allotted to each tractor will depend upon the number of plow bottoms pulled. Motors must not be run more than 10 per cent above rated speed.

Private demonstrations may be arranged for the rest of the week by request to the manager. All fuel must be purchased at a source designated by the management, so that there shall be no chance for deception by the use of more efficient fuel than can ordinarily be obtained or used.

Each tractor will be required to plow the full depth of the furrow and must finish out all rows in a neat and careful manner. The demonstrations shall be made in the spirit of an educational showing rather than that of a contest. They will start tomorrow afternoon at 2 o'clock.

GOOD CROWDS AT OAK HILL

Baptist Pastor and Church Gospel Teams Are Holding Good Services This Week.

The gospel team of Prof. W. M. Westbrook had charge of the services at the Oak Hill church last night. Rev. L. M. Hale will speak again tonight and the team of Ray Davis will lead the services tomorrow night.

Services will continue until Friday night. The house has been crowded at each meeting. Sunday afternoon quite a number of cars went out from town.

The members of Mr. Westbrook's team, which will conduct the service tonight, are: Prof. W. M. Westbrook, Dave Ferris, Lewis White, L. T. Yowell, Dr. H. S. Rowlett, John Kelly, G. B. Holmes, H. W. Hull, B. F. Mozingo and Henderson Aley. The men on Ray Davis' team, which will be in charge of later services, are: Mr. Davis, Clyde Avitt, D. E. McDonald, Ed Brewer, B. W. Lemon, William Everhart, Charles Hyslop, Ed Tebow, Clyde Bliss and C. L. Gann.

FEDERATION IS FAVORED

YOUNG PEOPLE APPOINT COMMITTEES TO DISCUSS PLANS.

Two Have Not Taken Definite Action, So Meeting is Postponed to Next Week.

Three of the five young people's societies of the churches took favorable action Sunday night on the reviving of the Federation of Young People's Societies in Maryville. Members of the other two societies have expressed themselves favorably in private conversations but no action was taken.

Ed Gray, Mrs. E. B. Burnett and Miss Florence Shullenberger were appointed by Miss Bertha Anderson, president of the Christian Endeavor, to meet with the representatives of the other societies. The Young People's club of the Presbyterian church, which will become a Christian Endeavor next Sunday, appointed their president, Philip Colbert, and the pastor, Rev. W. M. Case, to meet with the others.

The Buchanan Street Epworth League appointed Vernon Nash to work with the president, I. B. Williams, on the federation committee. A meeting of the representatives will probably not be held until next week on account of the many activities of the week.

Among the activities which have been outlined by various individuals as work for the young people are:

Sunday services at the county jail and the county poor farm, gospel team work of the young people, personal evangelism, participation in the fight against the saloon, agitation for a Y. M. C. A. in Maryville, giving of better social times to young people, the improvement of the devotional services of the societies on Sunday evenings by the exchange of speakers, the interchanging of ideas, and by occasional union meetings.

The constitution of the old organization will probably be adopted again in large part, but changes of minor nature may be made. Those who have already been named on the federation committee desire that young people of the societies talk with them concerning the work.

RELIGIOUS CENSUS

MEN OF MARYVILLE CHURCHES TO GET DATA NOV. 21.

TO AID PASTORAL WORK

Church Memberships or Preference, Number in Sunday School and Other Questions to Be Asked.

A religious census of the city of Maryville will be made the third Sunday in November by all the men of the Protestant churches in the town.

The purpose of the census will be to get data on the church affiliation or preference; regularity of attendance; number of children in Sunday school; reasons for not attending church, if such reasons will be given, and all other information relative to the religious condition of the people of this city.

The city will be worked by wards and people will be notified when the workers are expected to come down their street. An effort will be made to have everyone possible at home when the workers call, so that the work may be done rapidly. The decision to make the census was reached at the monthly meeting of the Ministerial Alliance yesterday.

Thanksgiving Service at Baptist.

The union Thanksgiving service will be preached by the Rev. William Moll Case, pastor of the Presbyterian church. It will be held Wednesday night before the day, rather than on the morning of Thanksgiving. The Baptist church will be the host church this year.

The ministers also decided to invite all the preachers of Nodaway county to join with them in their December meeting. The decision has been made to unite with the Christian church in a farewell service to Rev. R. L. Finch, who becomes pastor of the Park and Prospect church in Milwaukee after next Sunday. The program of the service will be arranged by members of the Disciples of Christ.

A resolution was passed by the pastors to hold no more farewell services to men after that of Mr. Finch, but instead to hold a welcoming reception to the new men as they come to the town. Methodist pastors go so quickly after the change in their appointments that they never get a union farewell service.

DICK BROOKS INJURED.

Falls 15 Feet Off Bridge and Breaks Shoulder Blade.

Dick Brooks of Quitman met with a very painful accident this morning. With several others Mr. Brooks was repairing a bridge about a mile from Quitman, when he fell from the bridge to the creek below, a distance of fifteen feet. He landed on his shoulder, broke his shoulder blade and caused some bad bruises by the fall. He also caused a slight injury to his head. His wounds are painful but not serious.

League Social Thursday.

The Epworth League of the First Methodist church will give a Hallowe'en social in the attic at the home of H. C. Bower Thursday night. Old clothes and plenty of hallowe'en stunts are the order of the evening.

THE WEATHER

CITY, SANTA CLAUS

A MUNICIPAL CHRISTMAS EVE ON COURT HOUSE LAWN.

EVERGEEN TREE THERE

Light Company to Give Illumination and Chorus of 100 Will Sing Yule-Tide Carols.

Maryville will take another step into the metropolitan class Christmas when they give a municipal Christmas tree. By some good foresight, an evergreen tree was planted years ago in the corner of the court house yard, which will make a permanent Christmas tree.

The decision to have the tree was made at the regular weekly meeting of the board of directors of the Commercial club. All of the ministers, Prof. W. M. Westbrook, superintendent of schools; Mayor U. S. Wright, and two representatives of the Federation of Women's Clubs, Mrs. George H. Colbert and Mrs. W. C. Van Cleve, met with the directors by invitation at their lunch yesterday noon.

Many details will have to be worked out by the committees later. But the Maryville Electric Light and Power company have already promised the lights and wiring of the tree as their gift toward the municipal celebration of the birth of Jesus.

A chorus of 100 voices will be organized to sing carols and Christmas hymns. Mr. Case, pastor of the Presbyterian church, has been connected with a city Santa Claus for several years and his experience is expected to be valuable. Probably the most noted and successful of the municipal Yule-tide celebrations have been those at Washington and St. Louis.

It has been announced that the French have won a complete victory over the Bulgarians in their own territory near Strumnitza.

Servia Cut in Two Parts.

London, Oct. 26.—An Athens dispatch says that the Bulgarians have occupied Prisrend, near the western Servian border. If the report is true, it shows that the Bulgarian army has crossed Servia through Uskub, thus cutting the kingdom of Servia in two parts.

Austrians' Claim of Success.

Vienna, Oct. 26.—The Austrian cavalry has entered Valjevo, Servia. The Teutonic advance has become more rapid. The German army has captured Petrovatz, forty miles southeast of Semendria.

Cyprus Offer Withddrawn.

GERMAN ADMITS PLOTS

SAYS KAISER'S LIEUTENANT CAME TO U. S. WITH BOMBS.

Fay Intended to Blow Up Plants in America Furnishing War Munitions to Allies.

Special to The Democrat-Forum.

New York, Oct. 26.—Paul Seib, who is in the custody of the United States officials in connection with the German bomb plots to destroy American industries connected with the manufacture of munitions, made important confessions this morning.

He said that Robert Fay, a German lieutenant, and Walter Scholtz, his aide, came to this county with the intention of blowing up American plants. It was arranged to explode a bomb in the chemical works at Roosevelt, N. J., last Thursday night, but the vigilance of the guards prevented.

The chemical works furnish important materials to ammunition factories. The authorities believe that the men's anxiety to confess is really an effort to hide more important moves by the plotters.

SUIT ON SHEEP SALE.

Failure of F. B. Dinsmore to Deliver Damaged Carl Huff $200.

Carl W. Huff of Pickering filed suit this morning for the January term against Frank B. Dinsmore of near Orrsburgh for $200 alleged damages for a sheep sale which was not consummated. Mr. Huff says that he paid Dinsmore $100 for 40 sheep which were to be delivered in Pickering yesterday. The full price contracted for was $300, the other $200 to be paid at delivery.

Huff asserts that the sheep were not delivered, although he was at Pickering yesterday ready to take them and pay for them. He asserts that he was damaged $200 by the failure.

MME. BUTTERFLY FAVORITE ROLE

MISS ALICE NIELSEN SAYS IT FITS HER TEMPERAMENT.

PRIMA DONNA LIKES SMALL TOWN HEARING

Singer Who Opens Lyceum Course Tonight in Informal Talk With Democrat-Forum Reporter.

What every woman knows about Alice Nielsen is that she is America's foremost prima donna, but what lots of them don't know is that she is one of the most charming and adorable women, and above all, has a sweet simplicity of manner that would attract more than her talent or art.

In a personal interview with Miss Schenck this afternoon at the Linville hotel, Miss Nielsen gave in one sentence the keynote of her success.

"I love the small town audiences," she said, "because I feel personally their interest, their praise and their sympathy with my songs. I love the public, I love the big city audiences, but their brilliancy sometimes causes just a bit of self-consciousness, and I feel the weight of it. In the small towns I feel at home, just like one of you, and feel that you like me and love music. Music is religion, don't you think so?"

If you could talk to Miss Nielsen, you would understand instantly why she feels like this. She is a small, slight woman, blue eyes that look at you with an almost childish look, light brown hair, curly as can be, with a simplicity in manner and dress as one of her most noticeable traits. With her on this trip is her cousin, Miss Lillian Nielsen of Boston, who is on her first trip through the middle west, and is thoroughly enjoying it.

In answer to the question of what was her favorite role, Miss Nielsen answered:

"Madame Butterfly. I think that is because of my temperament. You wouldn't think to look at me now, that I have terrible fits of morbidness, and I attribute that to my ancestry. I am American born, but my father was a Dane and my mother Irish, and I must inherit, as you see, a love for tragedy and comedy both. Thi ssummer has been my heaviest concert tour, I think. I have given 118 concerts in nineteen weeks. I began in Jacksonville, Fla., and ended in Chicago. I sang before small audiences and my audience for the tour totaled 140,000 people. Where I love to sing is in the small places where musical opportunities are limited and the people are hungry for music. I love to bring it to them and feel as if I were bringing them religion in my music, and it is, too. I think all the world believes that.

"At Kirksville last night I enjoyed the students so much. Usually I don't give encores. I would if I knew what my audiences wanted most, and if they would ask I would be willing to sing any favorite song. Last night I sang "The Last Rose of Summer," and the frank pleasure of that crowd of students was one of my greatest delights.

"There is a magnetism and enthusiasm in such praise that one could not help liking. That is why I say I am more fond of the small town audiences. But I love the whole public just as it is."

From here Miss Nielsen goes to Topeka, Kan., and then to Hutchinson, Kan. Three years ago Miss Nielsen sang at the dedication of new opera house in Hutchinson, and she is anticipating her second appearance there with great pleasure.

AN UNFORTUNATE SITUATION.

The situation which induced George B. Baker of this city to resign from the board of managers of the St. Joseph insane asylum is, to say the least, unfortunate. Mr. Baker has taken great interest in the affairs of the asylum and, as a business man, has endeavored to have its affairs conducted in a business-like manner.

The interference of outsiders seems to have created some discord and dissatisfaction which resulted in a request for the resignation of two of the members with whom Mr. Baker had worked harmoniously. There was no objection to Mr. Baker, but he felt that inasmuch as there was objection to those with whom he had worked in harmony, it would be useless to remain on the board.

That the St. Joseph asylum has been, or should be, more or less a football for political ambitions is beyond the patience of those who appreciate the purpose for which this great institution was designed. Maryville has for some years been honored with a membership on the asylum board and has more than ordinary interest in the welfare of the institution. From all reports a "house cleaning" would not be amiss, but it should be a house cleaning along the line of justice to the unfortunate inmates and not to provide jobs for anybody's friends.

If Mr. Baker felt that he could not longer serve on the board with usefulness, he has done well to get off and save his reputation as a conscientious and capable business man.

Ma and the Motor Car.

Before we take a motor ride Pa says to Ma, "My dear,
Now just remember I don't need assistance from the rear;
If you will just keep still back there and hold in check your fright
I'll take you where you want to go and get you back all right.
Remember that my hearing's good, and also I'm not blind,
And I can drive this car without suggestions from behind."
Ma promises that she'll keep still, then off we gayly start,
But soon she notices ahead a peddler and his cart.
You'd better toot your horn," says she, "let him know we're near,
He might turn out," and Pa replies: "Just shriek at him, my dear."
And then he adds: "Some day some guy will make a lot of dough
By putting horns on tonneau seats for women folks to blow."
A little further on Ma says: "He signaled for a turn."
And Pa says, "Did he?" in a tone that's hot enough to burn.
"Oh, there's a boy on roller skates," Ma cries, "now do go slow,
I'm sure he doesn't see our car," And Pa says: "I dunno;
I think I don't need glasses yet, but really it may be
That I am blind an' cannot see what's right in front of me."
If Pa should speed the car a bit some rigs to hurry past,
Ma says: "Now do be careful! You are driving much too fast."
An' all the time she's pointing out the dangers of the street
An' keeps him posted on the roads and where street cars he will meet.
Last night when he got safely home, Pa sighed an' said: "My dear,
I'm sure we've all enjoyed the drive you gave us from the rear."

Apple Omelet.

To eight large apples, stewed very soft and mashed fine, add one cupful of sugar and flavor with nutmeg or cinnamon. When cold stir in three well beaten eggs and one-half teaspoonful cornstarch dissolved in two tablespoonfuls of milk. Stir well and bake slowly for 20 minutes. Serve hot.

Green Corn Balls.

Grate enough corn from the cobs to make two cupfuls; into this stir a beaten egg, a teaspoonful each of sugar, melted butter, with salt to taste. Add enough flour to enable you to form the mixture into balls; roll these in flour and fry in deep fat.

Household Hint.

After boiling salt beef leave two or three cooked carrots in the liquor until cold. The carrots will absorb the salt and the liquor will be clear.

A CHILD HATES OIL, CALOMEL, PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" if Cross, Sick, Feverish, Constipated.

Look back at your childhood days. Remember the "dose" mother insisted on—Castor oil, calomel, cathartics, How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Kansas City Stock Letter.

Kansas City Stock Yards Oct. 25.—Killing cattle sold strong to 25c higher last week, most gain on choice beef steers, stockers and feeders ranged from steady to 15c higher, cows and bulls steady to 20c lower. Heavy shipments arrived today, 45,000 cattle on the early estimate, and the official count will be close to that number, the heaviest run ever received here for a single day's market.

A large percentage of the supply is stockers and feeders, and these kinds are selling weak to 15c lower, although there is a big outlet for yearlings and twos, and for good feeders. The small percentage of killing grades resulted in steady prices for the best, 10 to 15c lower on some of the steers, cows steady to 10c lower.

No strictly prime cattle are included, and steers of first quality are quotable up to $10.30, medium to good fed steers $8.40 to $9.50. Best Kansas grass steers bring $8.75, although the Kansas offerings are gradually getting into the fed column, and will be quoted as such exclusively within a short time. A fair number of middle weight Kansas steers at $7.00 to $7.75.

Quarantine receipts are 15 cars, steers at $6 to $6.75. Every possible grade of stock cattle is here, and the demand comes from every quarter, hence is equally as diversified. Kansas and Missouri are the big buyers, Oklahoma taking a heavy number, Illinois and Iowa in sections where they have corn, buying more heavily than heretofore. Prices on stockers range today from $5.50 for common off-color steers to $8.30 for high bred Panhandle white face yearlings.

The hog market shows returning strength, sales 5 to 10c higher today, the order buying features of the market being operative, hogs for shipment selling at $7.30 to $7.50. Packers did not exhibit any enthusiasm, though paying slightly stronger prices, largely $7.10 to $7.30. Receipts are 7,000. Future prices will depend on volume of the supply, as packers will not be able to hold prices down without the support of continued liberal runs, although temporarily successful in their raid last week.

Sheep and lambs closed last week slightly lower, largely due to lack of quality in the offerings. Today the supply is 8,200, and prices are 10 to 15c higher, top lambs $8.75. Strength underlies the market, because of the big falling off in receipts since the middle of the month. Scarcity insures a high market for a month or two ahead, in the opinion of dealers here. Yearlings sell at $6.50 to $7.25, fat ewes $5.40 to $6, feeding lambs $7.90 to $8.25, feeding yearlings $6.65 to $7, feeding ewes around $5, breeding ewes $5.50 to $7.25.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Well, that's P. A., no matter how you hook it up—pipe or cigarette. *It just-jams-joy into your system!* You nail that fact hot off the bat, because it's case-cards information! And handed out to you for *personal* and *immediate* attention as being about as real and true as you've heard since Hector was a pup!

MRS. TRULLINGER IS WELL AND HAPPY

Mrs. J. B. Trullinger of Norborne, Mo., was ill for months with derangements of the digestive tract. She suffered terrible pain and was seldom able to be about.

She took Mayr's Wonderful Remedy with results that most happily surprised her and astonished her physician.

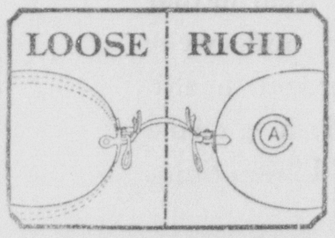
Mrs. Trullinger lives on rural route 1, out of Norborne, and leads an active country life. She writes:

"I take great pleasure in telling you what Mayr's Wonderful Remedy has done for me. When I wrote you last March I was hardly able to be up at all. I endured awful suffering. I would get so bad I would become unconscious, and the nauseating spells I had would leave me as weak as if I had a long spell of sickness nearly as bad as typhoid.

"Words cannot express the appreciation I have for your medicine. I am now able to work all day long. All this summer and fall I have felt just fine, gaining in strength and flesh."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

Mrs. Anna Belcher, who has been living on route 2, northwest of town, moved her family to this city yesterday. They will live in the Christian Science flats, on South Main street.



Our Kee-Lock Eyeglasses and Spectacle Mounting is absolutely rigid—the lenses stay secure. No screws to loosen. No holes in the lens. It is the very best and latest. Come in.

STOMACH ACTS FINE! NO INDIGESTION, GAS, HEARTBURN, ACIDITY

"Pape's Diapepsin" Fixes Sick, Sour, Upset Stomach in Five Minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them, if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

served at the home of the bride's parents. The house and dining table was attractively decorated in pink and white. In the evening a large party of young folks gathered at the Kern home to enjoy an informal dance. Mr. Schwebeck and his bride left on the morning train for a short honeymoon trip and after November 1 they will be at home on his farm southeast of Clyde.

Entertains P. E. O.

Mrs. Arch Frank and Mrs. N. C. Covey entertained the P. E. O. chapter Saturday afternoon at the Frank home, at the usual social meeting of the month. The time was spent with games and luncheon was served from the small tables at the conclusion of the afternoon.

Society to Meet.

The Ladies' Aid society of the First Methodist church will hold a comfort tacking tomorro wafternoon in the church parlors. The work is in preparation of the annual fall bazaar, and all the women are requested to be present.

Surprise for Pastor.

The Rev. B. T. Burger, pastor of the Methodist church of Quitman, and Mrs. Burger were given a pound shower last night by the people of the congregation. Over fifty were present. The affair was a surprise to Mr. and Mrs. Burger. The crowd gathered at the parsonage unannounced and spent the evening informally with games and music.

Miss Reuillard Gives Dinner.

Miss Ruth Reuillard entertained with a dinner of ten covers last night in compliment to Miss Mildred Robinson, a bride-to-be, whose marriage to Mr. Edward Wright Gray takes place Saturday. The dining table was centered with a miniature Japanese garden, and the flowers used were white chrysanthemums. Small crystal candle holders with white tapers and tied with white tulle bows were at each plate. A four-course menu was served. Every detail as near as possible was carried out in white. The ice cream was in the shape of two cooing doves, and where the bills of the doves met was hung a wedding ring tied with a tiny bow of white tulle. These were given as favors. The honored guest's chair was decorated with bridal significance. It was canopied with a white parasol wreathed with smilax and decorated with bows of white satin ribbon and tulle. Plates were laid for Miss Robinson, Mrs. Arch Carter, Miss Martha Koch, Miss Blanche Shipps, Miss Eleanor Smith, Miss Marjorie Wilfley, Miss Ora Barmann, Miss Vera Tilson, Miss Geneva Wilfley and Miss Reuillard.
